Corporate Solutions

Paying Agent Services

epiq efficiency

Payments done right with Epiq

Making payments doesn't have to be a costly, cumbersome, and manual process. Our full suite of fulfillment services streamlines processing, notices and cash, check and stock disbursements for any type of private transaction. Our advanced online automation technology coupled with our team of dedicated legal, accounting and tax experts significantly reduces risk and cost throughout the disbursement process, including for Letter of Transmittal submissions, verification, tax reporting, payment options and more.

What we offer

Custom intake, automated processing
Our web-based intake platform is flexible to address the bank client's specific needs.

Print and noticing
We deliver fast, accurate fulfillment to meet the demands of any noticing volume on any deadline.

Expedited processing
Our technology will transform the way you currently execute transactions and save you time and money.

Hosting and security
Our highly-secure data centers exceed Tier IV standards and are monitored 24/7/365.

What makes Epiq the right fit?

- Proactive approach to driving the entire process
- Highest level of client service 24/7
- Most advanced ever-evolving proprietary online platform with optimum user experience and user interface
- Online Letter of Transmittal, tax reporting, consents, cancellation agreements, payment options and more
- Manual processing expertise (when preferred)
- Fully transparent process
- Unmatched product flexibility and customizability
- Highest level of security
