

Ensure business continuity and minimise disruption when migrating Intapp solutions to the cloud.

- Migrate existing solutions to the cloud on time and within budget.
- Use enhanced features to speed up workflows, improve compliance, and increase revenue.
- Plan holistically across all products.
- Avoid disruptions from product end-of-life announcements and support limitations.
- Reduce future costs and risks through early action.

Exclusive Support for Intapp Cloud Migration Initiatives

Prepare for cloud migration with a comprehensive review and assessment of systems, data, and business processes.

Design migration plans that match your budget, resources, and timeline.

Execute seamless application migrations aligned with your firm's cloud strategy.

Why Epiq Legal Solutions

Experience the advantage of solutions from a partner specialising in legal.
