The screenshot shows the epiq AACER search interface. At the top, there are navigation tabs: Home, Events, Case Search (selected), Admin, Notifications, and Help. Below the navigation, there are filter criteria: Filing State: CA - California, Max Search Results: 100, Last Name: mathews, First Name: mi, and SSN (Last 4): 0810. A message states: "You will incur a one time charge for each red link result selected below." Below this is a table with columns for Case Number and Jurisdiction. The table contains one row: Case Number 99-05432, Jurisdiction CASB. Below the table is a "Show" dropdown set to 25. To the right of the table is a detailed filter form with fields for Filing State (CA - California), Chapter (13), Case # (12-345), Party, City (Los Angeles), State (CA - California), Zip (20001), Max Search Results (100), Exclude cases closed on or before, Last Name (mathews), First Name (mi), Tax Id, SSN (Last 4) (0810), Date Filed, and To. There is also an "Advanced Party Search" section with a "Save Filter" button. At the bottom left, there is a copyright notice: "© 2017 EpIQ Systems All Rights Reserved. Legal Information Privacy Policy". At the bottom right, there are "Search" and "Clear" buttons.

With our crowd-sourced cost reduction model, the documents you access are less expensive the more users there are of our data. Because we are the largest user of PACER data, there are substantial savings for you. Once you've accessed a document, it's free to your company forever. You also can audit search history for cost management, and coordinate [subscriptions] with counsel to avoid cost duplication.

With AACER®, you can search within any document in the court system. You will be able to view document previews with search results prior to accessing a document. And you'll have even more robust filtering options than our leading solution already provides.
