

Manage in-house workflow by engaging experienced legal professionals.

Engage skilled legal talent, paralegals, contracts negotiators, and legal operations experts on an interim basis to:

- Manage workflow spikes or fill gaps in your department due to attrition, leaves, or a hiring freeze.
- Increase the capacity of your team on a flexible basis without adding a permanent headcount.
- Add specialised expertise to support projects such as a new product launch or policy drafting required by a regulatory change.
- Enable your legal department to keep pace with the business.
- Coverage in Australia, Hong Kong, Singapore, the United States, the United Kingdom, and Canada.

Engage legal professionals with the necessary skillsets and industry experience that match your requirements.
