

epiq depth

Better together

Epiq is stronger than ever. Following the addition of GCG in the U.S. and Bruneau Group in Canada, our team is transforming the legal services industry with unparalleled resources providing our clients immediate access to a deeper and broader platform of best-in-class legal services on a global scale.

Leading the field

We are anticipating the demands of the marketplace with expanded solutions, capacity, and expertise to give our corporate, law firm and government clients an even more robust base of services, capabilities and expertise. Our team is ready to exceed your expectations on projects of any size and scope in the U.S., Canada or wherever your projects take you. Bolstered print, mail and contact center resources are ready to ramp up to your needs at a moments' notice.

Unmatched expertise

- Class action settlement administration
- Bankruptcy and restructuring matters
- Data breach prevention and response
- Regulatory settlements and corporate remediation projects
- Mass tort managed services and settlement administration
