

## Accelerate legal research with instant insights tailored to your needs.

Get the insight you need quickly using an AI legal research assistant built to answer legal questions, not just summarize search results. Access legal resources including case law, statutes, and regulations tailored to your specific legal needs.

Gain a strategic advantage with focused analyses of cited legal resources.

Meet challenging timelines with instant answers.

Streamline research workflows with automatically enhanced prompts and tailored reports.

Reduce legal research costs with no subscription required.

- Use Iqidis Amplify™ to expand, sharpen, and structure your input for better, more precise output.
- Instantly receive tailored, cited legal research built around your issue, jurisdiction, and facts.
- Leverage smart filtering and contextual summaries to focus on relevant aspects of cases and statutes for your specific matter.
- Maintain privacy and compliance with end-to-end encryption and hosting in ISO 27001 and SOC 2 infrastructure.

### Why Epiq Legal Solutions?

Experience the advantage of solutions from a partner specializing in legal and compliance.

Drive decisions with AI solutions that combine people, process, technology, and data.

## Iqidis Research Differentiators

- Trusted by hundreds of lawyers in corporate legal departments and the largest global law firms.
- Built by lawyers, for lawyers with legal depth and clarity.
- Automatically amplifies and refines queries with no prompt engineering expertise required.
- Sources pulled from vetted online legal databases.
