

Know what is in your contracts.

Increase revenue, manage risks, save cost, and identify significant non-compliance by moving from siloed contracts to structured contracts intelligence with AI-enabled analysis.

Increase Revenue

Track triggers for future fee increases, such as CPI adjustments.

Risk Management

Quickly respond to a data breach, regulatory event, or lawsuit.

Compliance Validation

Identify significant non-compliance e.g., contract types, geographies, limitation of liability, etc.

Cost Savings

Identify and eliminate redundant suppliers and increase concessions by consolidating spend.

Contracts Intelligence and Analytics Offerings

Technology-enabled **Contracts Review and Analysis** to create actionable data.

Contracts **Data Visualization** via a web-based dashboard.
