

Manage in-house workflow by engaging experienced legal professionals.

Engage legal talent, paralegals, contracts negotiators, and legal operations experts, on an interim basis to:

- Manage workflow spikes or fill gaps in your department due to attrition, leaves, or a hiring freeze.
- Increase the capacity of your team on a flexible basis without adding permanent headcount.
- Add specialised expertise to support projects such as a new product launch or policy drafting required by a regulatory change.
- Enable your legal department to keep pace with the business.
