

Bankruptcy & Restructuring

Trustee Services

Epiq provides trustees with comprehensive, start-to-finish administrative support for all your bankruptcy matters.

We help you achieve new efficiencies, cost-savings, and speed across your entire case management process. As the long-established leader in bankruptcy administration, we bring order, confidence, and successful outcomes to often complex and time-consuming tasks.

Experienced project management ease the burdens of bankruptcy administration

Our innovative, customized solutions combine experienced support teams with advanced software and technology tools. Every member of your dedicated Epiq team has deep expertise in bankruptcy and insolvency, across a wide range of large administrative projects. They are also experts in implementing and using our software and technology for maximum process speed and efficiency. Each works closely with your team, hands-on, helping them achieve dramatic improvement and cost savings in case administration.

Leveraging advanced software and technology for optimal efficiency of bankruptcy administration

Our software and technology provide you tools that will help you quickly and easily automate tasks you may perform.

Raising the bar on bankruptcy administration services

We're confident you'll quickly see how our dependable, proactive support and commitment to your success raise the bar when it comes to customer service. Our team members will always be there when you need them and take the extra steps necessary to work through every challenge, large and small.
