98%

accuracy

70+

global transcription contracts

500+

courts per day utilise Epiq transcription services

Client Testimonials

The Epiq court reporter accurately transcribed during the hearing, coping with a witness who was soft spoken and difficult to understand. The transcriber stayed with us after the hearing to ensure the accuracy of the transcript.

Law Firm
Sydney

During an arbitration, seated in front of me was the best court stenographer I have ever seen, keeping cool while typing the transcript, supporting counsel, pointing out footnotes and assisting with the display screens. A real Epiq asset.

Arbitration
London

From scheduling to final transcripts, Epiq made the process seamless with their excellent service.

Corporate Investigator
UK

I cannot praise Epiq enough for their support with our hearing transcripts. Accurate, on time, every time. An easy company to deal with.
